I would like to take this opportunity to express my appreciation
for the cooperation your base has provided FBIS over the years and to
pass on special thanks to [redacted] who has been
checking the equipment in the FBIS van periodically for us. [redacted]
noted that you agreed to having [redacted] also look after
some television recording equipment in the van.

There is probably no way in which FBIS can reciprocate for your
help, but I can assure you that it is very much appreciated.

Sincerely,

Director
